AFFIDAVIT of PROBABLE CAUSE

Your Affiant is Detective Sergeant John Schreiner with the Carroll Township Police department and is currently assigned to criminal investigations.

On April 17, 2013 at approximately 11:44 am. I received a call call from Jim Childs from the Northern High School regarding that the school has learned that one of their teachers had permitted and participated in getting her ears pierced by a 9th grader as well as allowing another 9th grader to get her belly button pierced during the teachers class.

I then went to the High School and met with Jim Childs and Matt Labuda and was advised of their findings. Labuda stated that yesterday, April 16, 2013 at 2:00pm., Students, [REDACTED] and a [REDACTED] came to the main office and reported the incident to Mr. Moran who is another Assistant Principle. Labuda said from that conversation they began interviewing other students that may have knowledge of the piercing that had taken place during the 8th period class.

Your Affiant did conduct an investigation and interviewed many students that were involved, meaning the students that were present for the piercing as well as the students that were left in the class room while the others were in the project room were the piercing were taking place.

Your Affiant had learned through the statements of the students present the following. The defendant had been speaking with [REDACTED] and other females in her class regarding piercing. [REDACTED] advised the defendant that she can do pircings and has a kit. As the weeks went on the conversations continued regarding the piercings. At one time the defendant had told [REDACTED] and the others that she used to have her cartilage pierced but the hole had closed up and that she would like to get it done again.

On Tuesday April 16, 2013 during the defendant's 8th period class with 15 minutes left. She had stated to the girls, "Ok let's go". They all then went in to the project room which is located next to the defendant's class room. When everyone was in the project room, certain students had kept the door shut and watched out for any students or teachers that would be coming. Once in the project room, the defendant prepared for her left ear to be pierced by [REDACTED]. It was learned that the defendant had her left ear pierced three times by [REDACTED]. While the defendant remained cleaning her ear. Another 9th grade student then got on top of one of the table and laid down on her back while [REDACTED] pierced her belly button while the defendant was present. It was learned that the defendant had told the students that, "What just happen here does not leave the room". It should be noted that the defendant did pay [REDACTED] for the piercing she received, giving [REDACTED] \$20.00 and a necklace that the defendant made.

I, **DET. SGT. JOHN R. SCHREINER (534)**, BEING DULY SWORN ACCORDING TO THE LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE FOREGOING AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION, AND BELIEF.
